Connecting India with the World.

We're The Vohra Group India Limited, your partner for international workforce solutions, real estate, agriculture, and business development. With nearly 4 decades of experience, we're committed to India's growth and connecting people with opportunities worldwide.

Global Workforce Solutions:

We bring together unskilled/semi-skilled Indian workers with international employers, helping them achieve cost effectiveness.

Import/Export Expertise:

Facilitating trade across borders, ensuring compliance and ethical practices.

Agricultural Advancement:

Investing in India's agricultural future through land development and procurement.

Global Business Liaison:

Guiding joint ventures, facilitating licenses and permits, and fostering successful partnerships.

Our Mission

Company Vision

To be a globally recognized leader in our industry, known for our commitment to excellence, innovation, and social responsibility. We envision a future where our solutions transform lives, businesses, and communities for the better.

Company Mission

To empower individuals and organizations to achieve their full potential by providing innovative, reliable, and customer-centric solutions. We strive to create a positive impact on society through ethical business practices and sustainable growth.

Company Value

Integrity. Customer Focus. Innovation.
Collaboration. Social Responsibility.
Excellence.

Our Value

1. Global Workforce Solutions

We understand the challenges businesses face in finding skilled and reliable manpower. Our mission is to bridge this gap by providing access to India's highly qualified and motivated workforce, while ensuring a seamless and compliant process for both employers and employees.

We leverage our extensive network and expertise to connect international employers with India's exceptional talent pool, providing ethical, cost-effective, and comprehensive workforce solutions.

Fast Processing & Recruitment

We ensure swift and efficient processing of visa applications, work permits, and other legal documentation. Our dedicated team works diligently to expedite approvals and minimize delays, ensuring your new workforce arrives promptly and is ready to contribute to your operations.

No Upfront Expenses from Employers

We cover all expenses associated with the recruitment process, including visa processing fees, travel costs, and any other administrative charges. You only pay for the agreed-upon salary and benefits for the employees you hire, with no hidden costs or surprises.

End-to-End Legal and Ethical Solutions

We adhere to the highest standards of legal and ethical conduct, ensuring all processes are transparent, and compliant. We provide support throughout the entire recruitment process, from sourcing and screening candidates to onboarding, visa processing, and ongoing support.

Benefits for International Employers

Access to Talent

Tap into India's vast pool of highly unskilled/semi-skilled talent across various industries. We employ a meticulous selection process to identify skilled and motivated candidates who align with the specific requirements of our partner companies.

Cost Savings & dependability

Reduce workforce costs significantly while maintaining high productivity and quality standards. Indian workforce has proven to be reliable, humble and highly dependable.

Industry-Specific Training

We offer customized training programs tailored to your specific needs, ensuring that the workforce we provide is fully equipped with the necessary knowledge and skills to excel in your industry.

Increased Efficiency

Streamline your workforce management with our end-to-end solutions, freeing up your resources to focus on your core business.

2. Agricultural Advancement

- **Contract Farming:** We partner with farmers to provide technical guidance, quality inputs, and assured buyback arrangements, minimizing risks and maximizing returns.
- **Land Deals:** We facilitate fair and transparent land transactions, connecting farmers with potential buyers or investors while ensuring their interests are protected.
- **Agricultural Expertise:** Our team of experienced agronomists and agricultural specialists offer expert advice on crop selection, cultivation techniques, pest management, and market trends.

Trust and Transparency

We build lasting relationships with farmers based on transparency, fairness, and mutual respect. We ensure clear communication, open dialogue, and fair dealings in all our interactions, fostering a culture of trust and collaboration.

Farmer Welfare

We prioritize the well-being of farmers and their families, supporting their economic development, social advancement, and environmental stewardship.

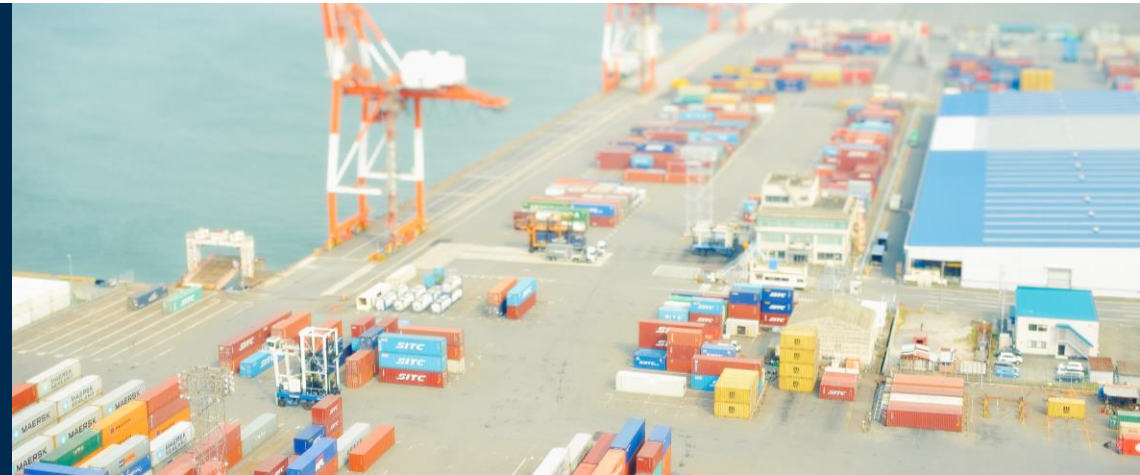

Sustainable Practices

We advocate for environmentally responsible farming methods that preserve natural resources and promote long-term agricultural viability.

3. Import/Export Expertise

- **Export & Import Documentation:** We handle all necessary documentation, including customs clearance, permits, and licenses, ensuring a smooth and compliant process.
- **Logistics & Transportation:** We manage the entire logistics process, from selecting the most efficient modes of transportation to coordinating shipments and ensuring timely delivery.
- **Regulatory Compliance:** We stay abreast of the latest regulations and ensure all your trade activities comply with international standards.

Proven Track Record

Our legacy of success across various industries demonstrates our commitment to excellence and results.

Global Network

Our extensive network of contacts and partners in various countries provides unparalleled access to global markets.

End-to-End Solutions

We offer comprehensive import/export solutions, handling every aspect of the process from start to finish.

4. Global Business Liaison

- **Partner Identification:** We leverage our extensive network and industry knowledge to identify suitable partners that align with your strategic goals and values.
- **Negotiation & Deal Structuring:** We facilitate negotiations, ensuring a fair and equitable deal structure that maximizes value for all parties involved.
- **Legal & Regulatory Support:** We provide comprehensive legal and regulatory support to ensure compliance with all applicable laws and regulations, both in India and abroad.

Proven Track Record

Our legacy of successful international business ventures speaks to our expertise and commitment to excellence.

Global Network

Our extensive network of contacts and partners in various industries and regions provides unparalleled access to opportunities.

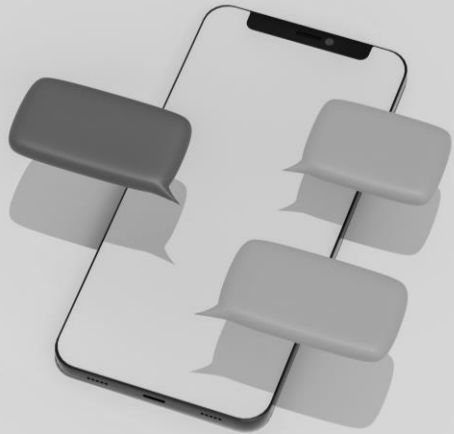

End-to-End Support

We are with you every step of the way, from initial exploration to ongoing management, ensuring a smooth and successful partnership.
